**Sri Lanka (Ceylon)**

Known in the past variously as Serendib or the "Isle of Jewels," Sri Lanka has produced fine gems for over 2500 years, including many of the world's finest rubies, sapphires and spinels.

ORIGIN

Padparadscha

The lovely padparadscha sapphire represents the marriage of a lotus flower and sunset. It is among the most rare and sought after colors in the sapphire cornucopia.

COLOR TYPE

Lotus Gemology is one of the world's most respected colored gemstone laboratories.

This report is a professional opinion based on the results of scientific tests, coupled with the extensive experience of Lotus gemologists. The following pages contain information crucial to understanding the results.
