

ISO/IEC 17025  
ISO 9002

certificate no. 20023765205

The HRD Certificates Department is BELTEST accredited for the quality examination of polished diamonds under ref. N° 047.

This certificate is established in conformity with the "International Rules for Grading Polished Diamonds", approved by the World Federation of Diamond Bourses and the International Diamond Manufacturers Association at the May 1978 Congress (rev. ed. 1995), and may not be reproduced by any means whatsoever unless complete.

The stone in accordance with the above mentioned number has been identified as a natural gem diamond and has the following description :

shape brilliant  
weight 3.37 ct  
clarity grade vvs2  
fluorescence nil  
colour grade rare white ( G )  
measurements 9.70 - 9.86mm x 5.88mm  
proportions very good  
girdle medium 3% faceted  
culet pointed  
table width 61%  
cr. height 13%  
pav. depth 44.5%  
finish grade good

gemmologists

The characteristics of the above mentioned diamond have been established by scientific measurements and observations, carried out in the laboratory of the Diamond High Council.

identification marks :

Red symbols refer to internal and green symbols to external characteristics. The symbols do not usually reflect the actual size of the characteristics. The characteristics have been indicated in order to clarify the description and/or for further identification.
